# l'escargot bleu

Lisa di Fruscia

This scarf is in the form of a sail: it begins at the narrowest point and widens by increasing 2 stitches every 6 rows. Each stripe is 6 rows. On the 3rd row of each stripe, there is an increase at each end of the row. Yarn is carried up throughout the scarf and the unknit colour is twisted every 2 rows.

This is an outline of what we did, but feel free to let colour inspire you and stripe as you wish!
